## 7. Professional experience

Date	Location	Position	Description
8/2019 - expected end date early 12/2019	Canberra, Sydney Melbourne, Indonesia	Team Leader for External Review	Lead a team of three to review DFAT's funding of the Indonesia Project at the Australian National University. The objective of the review is to assess the economy, efficiency and effectiveness of Phases III and IV of the Project (covering mid 2012 mid 2019) and recommend future directions for the Phase V proposal.
4/2019 – expected end date early 12/2019	Canberra, Melbourne Sydney, and all ASEAN countries except Brunei	Design Team Leader	Lead a team of 6 for the design of the Southeast Asia Economic Governance and Infrastructure Facility. The Facility is a 4 year AUD60 million program covering all ASEAN countries, except Singapore and Brunei, but including Timor-Leste. The design central hub will be located in Bangkok with support services in Australia for facilitating government to government partnerships. The Facility will focus on assisting Southeast Asia countries with improving decision making for quality infrastructure.
12/2018 – 12/2019 intermittent	Home office	External Reviewer	Carry out for ADB's Independent Evaluation Department (IED) validation of internal project reviews. Contracted to carry out reviews on request. Reviews have ranged from road projects, women empowerment projects, SME projects. Reviews include reviewing all documents related to a project and making an assessment of the final internal review document, with recommendations to ADB.
9/2018 - 6/2019	Azerbaijan	Macroeconomist (Fiscal Support Specialist)	Work with the Ministry of Finance (MoF) to scope out the feasibility for developing a strategic monitoring framework for tax and customs incentives. Work with the MOF to assess the impact of tax and customs incentives on budget revenues and entrepreneurship activity, and support the development of a registry of such data and information for internal analyses and decision-making processes, and to keep track of these fiscal efforts.
5/2018 - expected end date 11/2019	Canberra, Wellington, Vanuatu, Fiji, Tonga, Samoa	Development Economist	As part of a team, design a <i>Implementation Unit</i> that supports the implementation of PACER Plus from the date it enters into force (anticipated in 2019). The PACER Plus Agreement is a regional trade and development agreement signed in 2017 by 11 Pacific countries. Under PACER Plus, Australia and New Zealand will jointly fund a five-year Development and Economic Cooperation Work Programme that will assist Pacific Island Parties to build trade capability and take advantage of regional trade and investment opportunities. The design of the Implementation Unit will identify and include activities for its first-year Work Programme and a process and mechanism for servicing the PACER Plus Joint Committee.
3/2018 - 4/2019	Indonesia, Belgium, home office	Team Leader, Economist	Team leader and key expert for the European Union's Sustainability Impact Assessments (SIAs) in support of the free trade agreement (FTA) being negotiated between the European Union and the Republic of the Philippines, the Republic of Indonesia, and Malaysia. Team leader for the Indonesia SIA team. Responsibilities include: participate in the European Commission inter-service steering group meetings; lead the workshop in Indonesia; and provide high-level input into the draft inception, report, draft interim report and draft final report.
12/2017 - 11/2018	Myanmar, Vietnam, Malaysia, Thailand and Philippines	Investment Economist (international)	Provide case studies and lessons learnt from other regional countries process of decentralization of investment decision making. Make recommendations to Myanmar Investment Commission (MIC) and Directorate of Investment and Company Administration (DICA) on how to manage implement the decentralization of investment approval process.
12/2017 - 3/2019	Home Office/ Canberra/	Design Specialist, Technical adviser	Provide ongoing technical advice and design expertise for a proposed \$200m Climate Finance Fund, aimed at catalysing/leveraging private sector investment in climate change mitigation/adaptation projects across South East Asia & Pacific. Consider a range of incentive instruments (including first loss capital, subordinated/mezzanine capital/debt etc).
9/2017 - 2/2018	Home Office/ Canberra/	External Adviser	Provided external advice to Australia's Department of Foreign Affairs (DFAT) for the review of their Economic and Inclusive

	Thailand		Growth Strategy. Subcontracted through the Innovation Resource Facility to advise DFAT on the quality and appropriateness of the work being produced by the review team. Advice on the effectiveness of the proposed strategy and likely outcome of success.
7/2017 - 10/2017	Manila, PNG, Vanuatu, Tonga, Palau, Australia (Sydney and Canberra)	Private Sector Evaluation Specialist	ADB Contract No. 136270 SC 109221 REG: Evaluation of Pacific Private Sector Development Initiative (Private Sector Specialist): Worked with the independent evaluation team on the assessment of the Private Sector Development Initiative (PSDI) performance and provided recommendations for the way forward. The evaluation covered the ten years of PSDI (2007-2016) Phases, I, II, and part of III (TA 6353, TA 7430, and TA 8378). The evaluation is to inform ADB Board and Management on the value and merit of PSDI, as well as, capture lessons to understand the mechanisms through which business environment reforms occur. The evaluation covered, PSD's legal, financial, SOEs and regulatory reform programs.
8/2017 - 12/2017	Home office	Adviser – external reviewer	Support the Innovation Resource Facility in their role of carrying out the review of DFAT's ASEAN portfolio's strengths and weaknesses, lessons learned, identify opportunities, and consider coherence with wider ASEAN Mission portfolio. It also included a separate options paper for considering new and innovative approaches to improve access to finance. The review was carried out for DFAT's ASEAN Mission in Bangkok.
